REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: Applicant has argued that the claims are distinctive in reciting that "the first sunscreen is guided *in* the guideway". This feature was originally claimed, hence applicant may rely on this feature. The specification merely states that "the first sun screen ...is guided *by* the guideway" (paragraph 6). As applicant relies on this feature as originally claimed, the claims are deemed to be so limited. Illustration, consistent with the schematic standards submitted by applicant, is seen in figure 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Dennis H. Pedder whose telephone number is (703) 308-2178. The examiner can normally be reached on 5:30-2:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Glenn D. Dayoan can be reached on (703) 308-3102. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
